

Ningana Too

Ningana Too is the most recent addition to our Silver fleet of houseboats. Fully refurbished throughout, this houseboat is primarily designed for one or two couples, with a maximum capacity of 6 people. With a contemporary feel and many unexpected extras, you can totally relax on this lovely houseboat, whether it is in the luxurious front lounge area all together, or enjoying a book alone in the rear lounge overlooking

the river, to sipping a glass of champagne on the rear deck as you watch the sun set. We invite you to come on board, you will love it as much as we do!
