

## **7 Tips To Enjoying The Holiday Of A Lifetime**

1. **On arrival, listen to any instructions from your hosts; don't be afraid to ask questions. If you have any problems during your holiday, don't suffer in silence. Let your hosts know, most will be happy to quickly resolve any issues.**

2. Make sure you have "together time" and "alone time".

3. *Eat your meals together, it's the best time to plan or recap on the day's adventures.*

4. Take lots of photos, get the kids to take some photos too, they have great imaginations for unique photos. Photos are great memory joggers. You never know, you could win your next holiday in a photo competition!

5. Don't be afraid to try something new, make sure you leave with no regrets.

6. Get back to nature, watch a sunrise and sunset together, take a bush walk, just sit somewhere quiet, and appreciate the amazing world we live in.

7. *Relax, recharge, and reconnect. Live in the moment; make the most of your precious time together. And maybe on the way home, start planning your next escape!*
