RECHARGE AND REJUVENATE

PLATINUM

Formerly known as Casa del Rio, this 8-12 berth houseboat has the perfect floorplan for family groups. The front living area ensures that there is plenty of company for the driver, the comfortable lounge suite looks onto the large satellite TV screen and the BOSE system is state of the art.

The chefs kitchen has an island bench to allow for extra help, and the bar area serves the dining and lounge. The 4 queen bedrooms are separated by the 2 spacious bathrooms, however the focal point

of this houseboat is the huge rear lounge, the ideal kids retreat, which opens onto the rear deck. This overlooks the ski boat v hitches, with a large storage cupboard for skis or golf clubs, depending on the season!

The all-weather roof upstairs cover the 8 person spa and dining area, while sun lovers can doze on the sunbeds at the rear of the deck. The opportunity is there to do everything, land and water sports...or just Relax!
