

CUTTING EDGE

Cutting Edge is a gold spa houseboat in our fleet which sleeps up to 10 people. It has three queen bedrooms (one can be split to single beds if required), two double sofa beds in the driver's area. The rear lounge has a huge leather lounge suite to relax in as well as a bar area. The flat screen TV, CD and DVD player are in the rear lounge. The houseboat has one bathroom with a shower and toilet, an additional external toilet as well as laundry facilities including a washing machine. The chef's kitchen has a conventional oven and hot plates, dishwasher, microwave oven, even a coffee machine and an island bench.

The range of dining options is varied, from inside in the rear dining area, on the huge rear deck or upstairs on the top deck with the best views on the river! Other enjoyable features of the top deck are the luxurious spa and the inviting sunbeds. You will be comfortable all year round with evaporative air conditioning in the summer and flued gas heating during the winter months. The houseboat has 24/7 240 volt power, no starting the generator! Cutting Edge is powered by two 60hp Yamaha 4 stroke motors. With so many areas to relax and enjoy yourself, this houseboat will be a real winner with the family! This houseboat is not pet friendly.
