

OASIS

This 10-12 berth houseboat, which used to be a favourite in our fleet, arrives back in Mildura in June 2020. The moment you walk on board it feels as though you are on holiday! The houseboat has 5 queen bedrooms, all of which can be split to singles. There are two shared bathrooms with flexible shower heads, roomy space to change and a toilet in each. The kitchen is located at the front of the houseboat and has a stainless steel fridge/freezer with icemaker, dishwasher, stove, microwave and temperature controlled wine fridge as well as a pod coffee machine.

There is a barbecue on the front deck for your convenience. The spacious front lounge with comfortable large sofa and flat screen TV. For your comfort there is evaporative air conditioning in the living area and ducted to all bedrooms, as well as gas heating in the cooler months. The impressive all weather rooftop has a spa, huge circular dining table and chairs, and sun-beds. The houseboat has 24/7 240 volt power, no starting the generator, and is powered by 2 economical 4 stroke Honda outboard motors.
